

Healthy Leg Day

At our Healthy Leg Day events, a certified compression sock fitter will be onsite to help you pick out a pair!

Vivo Health Pharmacy's partnership with Juzo includes Healthy Leg Day events at many of our hospitals and Vivo locations.

Learn more about how you can improve your leg health just by changing the socks or hosiery you wear daily. During this event, one of our certified compression sock fitters will be on site and available to answer any questions you have.

If you are interested in having an event or have any questions, please contact us:
